

## IN THE MICHIGAN COURT OF APPEALS

### ORDER

Re: **Sky Reach Inc v Blue Line Electric Inc**  
Docket No. **260456**  
L.C. No. **03-005461-CH**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The claim of appeal is DISMISSED for lack of jurisdiction because a final order as defined by MCR 7.202(6)(a)(i) has not been entered in the case. An administrative closing order due to bankruptcy does not adjudicate the rights and liabilities of that party and thus there is no final order yet as to Blue Electric Inc. Furthermore, the Court makes no determination as to whether there are other pending claims except to note that no order has been entered specifically disposing of numerous other defendants in the case who were served with the complaint. As a result, appellant may only challenge the order at this time by filing a delayed application for leave to appeal under MCR 7.205.
